**MEMORANDUM FOR: Deputy for Technology  
Office of Special Activities**

**SUBJECT : Advanced Aircraft Systems**

25X1A

1. In keeping with your activity program concerning advanced aircraft systems and the indication of intent to support ORD, attached are three proposals given the undersigned by [REDACTED] which address themselves to the general field and problems of space photography.

2. I think that ORD has already received copies of these.

3. In the event you do not find these useful, please return them so that I might review with other components of DD/S&T.
